

Gahanna Area Art Students:

The Gahanna Coalition for Character and Citizenship is busy preparing for the July 4<sup>th</sup> celebration to be enjoyed by kids and families from around the Gahanna area.

As part of the celebration, the TeenFest portion, the Gahanna Coalition for Character and Citizenship (GC3) is sponsoring a teen art walk along Creekside Park. The topic of the artwork should reflect one of the 12 character and citizenship traits that are represented in the GC3 program: Citizenship, Cooperation, Honesty, Respect, Self-Discipline, Spirituality, Pursuit of Excellence, Moral Courage, Compassion, Responsibility, Justice, Positive Attitude. We would like to have each trait represented at each school. It is our hope that some of the artwork may be used to create character banners/flags to be shared and displayed among the local schools.

All artwork should be able to be displayed in an outdoor format. Medium is to be selected by the artist.

See your art teacher for the drop off location at your school or deliver your artwork to the City of Gahanna Parks and Recreation Department office. Please tape applications to the back of the artwork before submitting.

Pieces will be displayed along the Creekside Park walkway Friday July 4<sup>th</sup> from 4:00 p.m. through 7:00 p.m. The artwork will be available for pick up at the City of Gahanna municipal building starting Monday July 7<sup>th</sup>. TeenFest participants will have a chance to review and vote on their favorite pieces. Savings bonds will be awarded in categories presented and voted on by the GC3 Board. Categories include Fan Favorite, Best Theme, and Most Original.
